

**REQUEST FOR FINANCIAL SUPPORT FOR
A LOCAL GROUP, EVENT OR SHOW.**

The Board and Council of the Gauge “0” Guild set aside annually a limited amount of finance to support 7mm railway modelling. Grants are available for local Gauge ‘0’ Groups or ‘0’ gauge sections of clubs to assist them in furthering 0 gauge railway modelling activities.

Application for a grant is made by completing this pro-forma and submitting it to the Guild Secretary. As a guide, examples of support could be a grant to help establish a new group, towards materials to build a test track, support of a local show or a contribution toward a group layout that would be made available for Guild shows.

It is intended that this process should be as simple and straightforward as possible, but it is mandatory that ALL applications be supported by the relevant constituency representative or, where there is none, any board member.
